

# Remember the Persecuted at Christmas

Once again, this Christmas we encourage you to take a few minutes to send a Christmas Card to a Christian prisoner. On the facing page, you will find brief information about and addresses for prisoners in China, Iran and Uzbekistan.

Each of the three prisoners is serving a long prison sentence and was included in the Church in Chains Lent Prayer Project earlier this year. By sending a Christmas card, you are sending a very clear message to their jailers: it shows that the Christian prisoner is known and cared about overseas. This can influence them to be diligent about caring well for the prisoner.

## Card Writing Guidelines

1. Begin by choosing a Christmas card (use one with a Bible verse/Nativity scene if you like).
2. Write a short greeting – these prisoners do not speak English (a prison guard or fellow prisoner may be able to translate).
3. Assure the prisoner that you are praying for him.

**DON'T** make any criticism of the government

**DON'T** mention Church in Chains (or any similar organisation) as this could lead to the prisoner being accused of links to a "hostile" organisation

**DON'T** refer to any harsh treatment that may be occurring as this could lead to the prisoner being accused of spreading malicious information

## How should I address the envelope?

**With great care – prison addresses are quite long.**

Print the address clearly and carefully. Affix correct postage and airmail sticker.

## What does it cost to post the card?

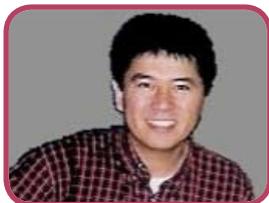

€1.00 (from Ireland) 97p (from the UK)

## When is the latest date for posting for Christmas?

**Saturday 6 December**

If you do not make that deadline, please do post your card later in December as it will bring encouragement whenever it arrives.
