

Junior Church In Chains Lent Prayer Project 2024

Instructions:

There are six Christian prisoners to pray for during Lent. Print this page on thick paper to make a prayer wheel. The right wheel has six faces with the name of a prisoner beside each one. Take a look at the photographs of the prisoners in Junior Church in Chains of the new Spring magazine and then colour in the six faces on the wheel to make them look like the six prisoners. You could add things like hair or glasses to help with the likeness. You can also colour in the writing and decorate in whatever way you like. Cut out both circles and place the left circle on top of the right circle, securing them in the middle with a paper fastener. Spin the lower circle to reveal a prisoner to pray for. You can find out who is in their family in the magazine and pray for them too.
